LOADING CUBEY
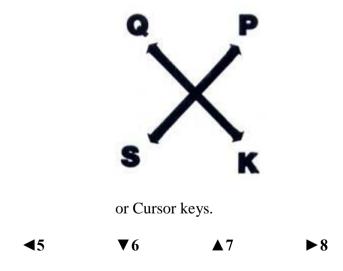

1   Connect the ear socket of your Spectrum to the ear socket on your recorder.

2   Place CUBEY in your recorder, make sure it is rewound.

3   Type LOAD"" or LOAD "CUBEY" and press ENTER.

4   Press Play on recorder.

5   CUBEY should now load. If you are unsuccessful, adjust the volume on your program recorder and try again. CUBEY is recorded on both sides of the tape.

6   To increase the sound effect of CUBEY, connect the Mic socket of your Spectrum to the Mic on your recorder. Remove the tape, press play and turn up the volume control.
