"Ommadawn" (original by Mike Oldfield)
Adapted from the album by I. Prini

<u>Instructions</u>

For all 128K machines:

To load the program, use LOADER option from the menu and then start playing the tape.

Once tape loading stops, leave the program running and listen to the music. "On Horseback" track, at the end of the musical work, has lyrics insert, so anybody can sing along.

All music has been transfered without any sampler or audio-tracker, simply using PLAY statements in its totality.
